Serving West Puget Sound's Medical Community

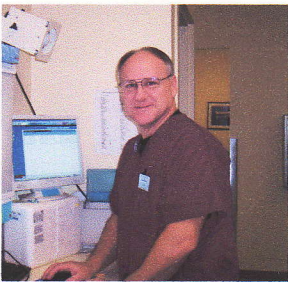

**OLYMPIC
RADIOLOGY**

New Faces at Olympic Radiology

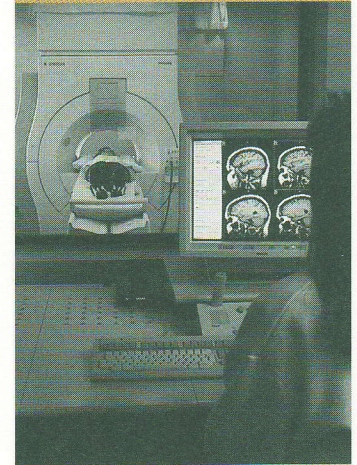

Olympic Radiology is pleased to introduce the newest members of our staff.

Lonie is our newest member of the medical records staff. She recently moved here from California, with her two daughters, to be close to family. In addition, she will shortly be transitioning out of our medical records department and will take on the role of receptionist and scheduler.

Kim previously worked with us during his externship as a student in the Tacoma Community College RT program. We have since been fortunate enough to have the opportunity to hire him on as a full time X-ray Technologist. Kim lives in Gig Harbor with his wife and has been our #1 burger flipper at our last 2 parking lot barbeques.

Still not set up on PACS?

Would you like immediate access to images and access to our written report as soon as it is signed? We can set you up. All you need is internet access thru Internet Explorer.

Call Wendie Pond, Assistant Administrator or Michele Sauer, Administrator at 360-479-6555 for more information or to get set up.

Did You Know...?? PACS tip of the month

Did you know that we can set up automatic email notification that your results are ready and available in our PACS?

Did you know that the ORA PACS can be accessed not only from within your office, but also from the surgery suites at Harrison Medical Center, from home, etc.

Did you know you can burn a patient exam CD right from your computer?

Did you know that we will have a PACS tip of the month in each of our upcoming newsletters? If you have a question about using PACS call us and we will not only answer your question but may then share it in an upcoming issue. If your question is one we use, you will be entered into a drawing for a cool prize compliments of Olympic Radiology.
